Case # 12-10064

Judge Wizmur,

Dear Judge,

I have enclosed a money order, in the amount of Twenty Five Dollars to complete filing fees for Chapter 7 Bankruptcy conversion.

I understand your honor, there is a hearing scheduled September 25, 2012, to discuss many issues. I am requesting that you please excuse my appearance on this date, due to extreme, severe hardship, as of August 31, 2012 I was offered employment, which I will start Monday September 10, 2012, there is a 90 day probation period if I miss any days or if I am late I will risk this job, and will lose this opportunity of employment. My financial problems stem from over one year of unemployment.

I am able to pay court fee, to avoid dismissal of this chapter 7 cases, I have recently learned, there is not any conflict of interest as I previously thought regarding Trustee Andrew Sklar, this matter is no longer an issue, and I do not see any reason to request Mr. Sklar to be removed as trustee.

However, I am requesting this court to hear the matter Mark Ford to return any and all funds paid to him and received to represent me, Valerie Prinez, Mr. Ford neglected and fail to represent me, and has not fulfilled his obligation as assigned and oath taken.

I am asking the court to please consider if at all possible, to please hear this matter on the papers, as this is the only outstanding matter at this time.

By notice Mark Ford has been advised regular mail and certified return receipt. Judge I am working the best I can as a pro-se litigant to handle this matter. As I will not be able to communicate with this court during the day please respond by mail as soon as possible. Thank you in advance

Sincerely,

Valerie Prinez

Cc: Mark Ford
